## WORK RIGHTS

Australian Permanent Resident – full working rights

## LANGUAGES

Mandarin (Native), English (Proficient)

Graphic Designer with experience creating clear and engaging print and digital communications across campaigns, brand materials, social content, web assets, publications and customer-facing touchpoints. Skilled in translating briefs and ideas into polished, accessible and brand-aligned visual outcomes, with strengths in typography, layout, image editing, visual storytelling and multi-format delivery. Combines fast-paced campaign experience with hands-on brand ownership, bringing strong attention to detail, organisation and a thoughtful approach to design that supports audience engagement and community-facing communication.

## EMPLOYMENT HISTORY

### FOUNDER & GRAPHIC / BRAND DESIGNER *onemorecase (Design-led Lifestyle E-commerce Brand)*

Sep 2024 – Present  
Online

- ◆ Built and grew an independent design-led lifestyle brand focused on original illustration and everyday products, reaching 5,000+ subscribers, 8,000+ product sales and consistent 5-star customer ratings
- ◆ Developed the brand's visual identity across original product designs, packaging, printed collateral and customer-facing materials, maintaining consistent visual direction across both digital and physical brand touchpoints
- ◆ Created digital campaign visuals, social media content, e-commerce graphics, product listings, product photography and short-form video for product launches and ongoing brand promotion
- ◆ Expanded brand awareness through social media marketing, influencer collaborations, retail partnerships and pop-up activations across online and offline channels
- ◆ Led product development and print production, working closely with external suppliers on sampling, artwork preparation, material selection, colour matching, production refinements and final quality control
- ◆ Managed the end-to-end creative workflow independently, from concept development and visual production to product launch and final delivery
- ◆ Used generative AI tools to develop campaign concepts, Lifestyle imagery, promotional graphics and visual content, supporting faster experimentation and creative exploration

### DIGITAL DESIGNER *Generic Publications Advertising*

Nov 2022 – Aug 2024  
Sydney, Australia

- ◆ Delivered more than 50 multi-format digital campaigns across major Australian retail brands, including Harvey Norman and Domayne, creating EDMs, landing pages, display banners and web assets within fast-paced commercial timelines
- ◆ Translated marketing objectives and detailed briefs into clear, engaging and brand-consistent visual outcomes across multiple formats and placements
- ◆ Adapted campaign concepts across different brands, audiences and platform specifications while maintaining strong typography, hierarchy, readability and visual consistency
- ◆ Collaborated closely with marketing, campaign coordination and management teams, responding to feedback and managing multiple projects with overlapping priorities and tight deadlines
- ◆ Developed reusable templates and modular design systems to improve efficiency and maintain quality across recurring high-volume campaign work
- ◆ Created animated and interactive display assets using Google Web Designer, and applied HTML/CSS knowledge to support digital content updates and delivery

### FASHION WEEK GRAPHIC DESIGNER (PROJECT-BASED) *Labelbood*

Jun 2022  
Shanghai, China

- ◆ Supported the delivery of visual content for Shanghai Fashion Week across event, promotional, social and print applications
- ◆ Participated in on-site photography and behind-the-scenes content capture across runway, event and promotional environments
- ◆ Selected, edited and prepared imagery for use across multiple communications and audience touchpoints
- ◆ Worked with media and production teams to ensure final materials were visually consistent, accurate and suitable for digital, print and event formats

### GRAPHIC DESIGNER INTERN *Yezbi Education*

Nov 2020 – Apr 2021  
Changsha, China

- ◆ Created marketing visuals across multiple campaign themes, including promotional graphics, social media assets and printed materials for education-related campaigns
- ◆ Filmed and edited short-form video content for marketing and educational promotion, producing ready-to-publish video assets for social platforms
- ◆ Established the company's official social media account and managed ongoing post creation, publishing and account updates across image and video content

## EDUCATION

### MASTER OF DESIGN *University of New South Wales*

Sep 2020 – Sep 2022

### BACHELOR OF ARTS *Hunan First Normal University*

Sep 2014 – Sep 2018
